

Thanks for your inquiry. We would need more information on your project to accurately answer your questions.

Would you kindly provide the following information?

Your company name, address, accounting contact person and resale number? A form has been provided here, as we are only able to work with clients that are tax exempt when purchasing goods and services in NY state.

If you are supplying fabric bases or want to purchase them from Dyenamix?

If you are buying goods from Dyenamix, what are your fiber requirements?

If you are looking for silk screen printing or digital printing?

If digital printing, will you want dyes or pigments?

The manner in which you have original artwork?

Number of designs and number of colors in each design and colorways?

Number of yards required for sampling and production?

Timing on sampling and production

Colorfastness rating and any other requirements for production?

When we receive your answers, we can input your information into our system, and furnish you with a quote. It is always encouraged to provide low resolution jpgs of your images with your response to assist us in advising you on process, fabric ,etc.
